We appreciate **ALL** our highly esteemed parents for the support and co-operation you have accorded to my team throughout the term. We sincerely appreciate you and hope for even better partnership as key stake-holders. Our unity must play a vital role in helping us mould the lives of our beloved children for a better future. These youngsters are indeed a gift from God and should therefore be brought up in a more conducive and Godly way than anything else that we value.

In the course of your discussion find out the discipline part of your child in school and compare it with how your child behaves at home. Demand good mannerism from your child.
3. **REPORT BOOKS:** These very important documents will be given out on the **Open Day**. It is paramount to peruse it keenly and seriously discuss the progress with your child. Demand for excellent results in every subject and come up with success strategies for next term and the whole year at large. A good follow up should be made thereafter.

For sure, we all know that the times are hard but at the same time you have an obligation to discharge your basic parental responsibilities key of which is to ensure that your child gets quality education by paying fees promptly. I humbly request any parent who owes the school any amount of money as fees arrears to make arrangements and clear by the end of this week.

Our offices will remain open morning hours to facilitate this. I once again appeal to you dear parents to make the payment of your child's school fees in this school a top **priority**.

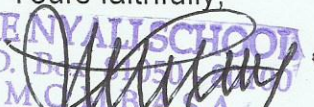

5. **PRIZE/THANKS GIVING AND JUNIOR & SENIOR SWIMMING GALA:** These three events took place in the course of the term and the attendance in all the cases was overwhelming.
